

HOW TO KEEP WELL RULES ARE GIVEN

Health Officer Foulks Says
Most Sickness Due to
Carelessness.

SLEEP EIGHT HOURS

Eat Plain Food and Chew Well—
Drink Plenty of Water and Eat
Plenty Only When Hungry

Trying to keep well is far more important than worrying about how to be cured if we should get sick. Man is master of his own fate, but he always tries to blame somebody else if anything goes wrong with him!

Most sickness is due, either directly or indirectly, to our own carelessness, and the sooner we grasp this fact, the better it will be for our personal welfare.

What should I do to keep well? There are many things you should do or should not do in order to keep healthy. Remember disease is not a normal condition, but is the result of a cause, either known or unknown. The cause of most diseases is in turn the result of violating one or more of nature's plain and simple laws.

Now if you persist in such violations, nature will present a bill, for she charges you for every one of her laws you violate. Some of her rates are low, while others are very high, but when she does present her bill, you are going to pay it in full, protest or no protest. So don't deceive yourself on that little point!

Here are a few plain, simple rules or keeping well, which if honestly followed, will no doubt save you from much future trouble. Keep in the fresh air and sunlight as much as possible. Keep your home clean, both inside and out. See that your food is pure, fresh, lean and properly cooked. Always wash your hands before eating. This is of great importance, yet is one of the most neglected health rules I know of and is the direct cause of transmitting various infections, particularly in children.

Eat only plain food. Fancy, highly spiced dishes will sooner or later affect the stomach. Chew your food well—don't bolt it as if you were taking a chunk of raw liver! If your teeth are so bad you can't chew, go to a dentist without delay. You can't have bad teeth and expect to keep in good health. It will be much cheaper to pay your dentist now, than your doctor later! Drink plenty of water. Few people drink enough. Water, tea, coffee or milk do not take the place of pure water. Drink a glass just before going to bed and another the first thing after you get up. Make this a fixed rule.

Eat often when hungry—if you get the food—but don't stuff yourself with a lot of junk just because it is mealtime. Some will tell you to always eat your meals at the same hour or minute each day, but that's all rot. The human body is not run by a clock. Common sense is the best thing to go by. When the system needs food, the stomach will let you know in language you cannot possibly misunderstand. Then it don't want it, there is a reason so let it alone until it rings its bell. Your stomach is neither a storehouse nor a garbage can!

A normal adult needs at least eight hours sleep out of the 24. See that you get it. Children and old people require more.

Do everything in moderation and you don't, you are sure to get a chill sooner or later and nature will collect it just as sure as fate. So don't try to fool yourself about that little fact.

THANKSGIVING APPEAL

Children's Home Officials Ask That Little Ones be Remembered Thanksgiving Day

As the Thanksgiving season approaches we hope that the kind hearted people of Alexandria who have so liberally remembered the fatherless children of France and all the other international calls that have come to them will not forget their own little children in the children's home at Ivakota. There are sixteen children there off in the country shut away from all the joys of Thanksgiving except what is sent to them by those who remember them as you used to do when the home was situated at the corner of Duke and Royal Streets. Several of these children are the same, as their physical infirmities have made it impossible to place them in private homes as was the intention. Their ages are from thirteen to two years old.

Any donations for their Thanksgiving may be sent to Miss Holt, probation officer, 408 Duke street, or will be called for if message is phoned to 343-W.

A liberal response was made for the request of school books and reading material. Any kind of food or clothing will be most acceptable.

PROFIT 2,000 PER CENT.

Former Secretary of Treasury Urges That Increase to Miners Be Granted.

New York, Nov. 25.—Urging the government to concede promptly to the coal miners the proposed wage increases, regardless of the attitude of the operators, former Secretary of the Treasury William G. McAdoo sent a telegram yesterday to Fuel Administrator Garfield, in which he asserted that to his own knowledge operators made "shocking and indefensible profits on bituminous coal" in 1917, running even as high as 2,000 percent.

NEW RATE AGREEMENT

A new wage and working agreement was signed late yesterday between the Railroad Administration and officials of the Brotherhood of Railroad Shop Laborers. While the demands of the union were not fully met, the eight-hour basic day was established for track laborers and others of that classification, and time and a half pay after that hour was provided. Most of the other employees included under the agreement will receive time and a half overtime pay after ten hours.

Signing of the new contract by Director General Hines ended negotiations which have been in progress since February. Approximately 400,000 are affected. Railroad Administration officials estimated. The contract also provides that it shall be applicable during the period of Federal control of the roads unless notice of 30 days is given of its cancellation.

WOMAN CHANGES CONFEDERATE NOTE

Victim Conducts Store in
Northwestern Part
of City.

TEN - DOLLAR ISSUE

Unsuspecting German Scans Word "Ten" But Fails to See Vignette of Late Jefferson Davis

Notwithstanding the fact that the Confederate states of America collapsed over fifty-four years ago, money bearing the vignette of the late Jefferson Davis is still being circulated, as was evidenced last Sunday night in this city.

A negro named Aubrey Washington had a ten-dollar note in his possession which had been issued by the defunct government sometime in the early sixties, and from its condition showed it has passed through many hands in its long history.

Having exhausted his exchequer Washington conceived the idea of realizing upon the note. Seated in a pool room with him at the time were two colored boys who volunteered to get the bill changed into money of the realm with the understanding that each was to receive a dollar.

The boys proceeded to a store conducted by Mrs. Annie Benba, a German woman, at the corner of Pendleton and St. Asaph streets. The light in the store was dim and Mrs. Benba without scrutinizing the note any more closely than to satisfy herself that the word "ten" was upon it, handed out the change. Washington rewarded the boys with a dollar each.

The police were later informed of the fraud and arrested Washington and one of the boys he had utilized. The case will come up in the Police Court tonight when the other boy in the case and the victim of the game will be present.

RICHMOND THEATRE

Tom Mix's new play, "The Speed Maniac," which is action from start to finish and abounds in daredevil feats by this clever William Fox star, ends its run at the Richmond Theatre tonight. The auto race in which the fearless hero is upstaged gives an unusual thrill, and the boxing match into which he leaps in the cause of humanity to battle with a champion pugilist shows Mix as clever with his hands as he is with his famous guns. Those who love action and romance can't afford to miss this picture.

Wallace Reid will be the attraction at the Ingonal Theatre tonight in "Roarin' Road."

GRAND THEATRE

Shannon Pife, widely known as writer of film scenarios, signals his return from army service by writing especially for Corinne Griffith the picture "Thin Ice," which will be seen in the Grand Theatre tonight.

This story of a young woman's fight for love and honor against tremendous odds gives the talented and beautiful Vitagraph star one of her best roles. The human interest is strong, with a mystery element well sustained, and there are many scenes of great dramatic intensity.

Tom Mills directed the picture, and in the supporting cast are Charles Kent, L. Rogers, Lytton, Eulalie Jensen and Alice Terry. Also Neal Hart in "A Knight in Western Land."

ORIENTAL BARRISTER

Chinese Lawyer Represents One of His Countrymen in Police Court

At a special session of the Police Court last night a Chinaman, who conducts a laundry in this city was arraigned on the charge of failing to deliver a satchel belonging to one of his customers. It was alleged by the complainant that it is his wont to carry his collars, etc., to the celestial in this receptacle, and that heretofore his business relations with the Chinaman had been satisfactory. A few days ago, however, when he applied for his garments they were handed to him minus the satchel.

Claims against Chinese laundrymen are the most tantalizing issues upon which the Police Court is called upon to pass judgment from the fact that the defendant is generally unable to understand English. Hence it is the custom generally to induce the accused to pay the costs of lost articles without declaring them guilty of larceny.

Last night the defendant appeared with two lawyers, one an Alexandrian and the other from the land of Confucius. The latter, understanding the Chinese dialect as well as English, aided the court materially in getting at the case from the viewpoint of the defendant. The laundryman alleged that his customer had been in the habit of bringing his garments to the laundry in the satchel and later, before the garments had been washed and ironed, he would return and carry away the empty receptacle. This, it was alleged, must have been done on the occasion of his last visit. As the case stood it was one man's word against another, hence no decision could be rendered. The complainant said he could furnish a witness in his behalf, and the case was continued until tonight.

The barrister from the celestial kingdom is of the educated and modern class. He wears glasses and is lacking of the aggressiveness of most of our native lawyers. Mild-mannered and well-mannered at the same time, made it evident that he is posted in law.

In the present polyglott population of Alexandria the Mongolian is represented, and a Chinese lawyer would prove a great desideratum in certain issues in which their countrymen become involved.

TWO BIG FOOTBALL GAMES ARE BOOKED

Dreadnoughts and Virginians to Meet Strong Teams.

TO PLAY AT SHIPYARD

53d U. S. Infantry and Seminoles Athletic Club Elevens to Perform Here in Turkey Day Contests

There is no need for Alexandrians to go to Washington for their Thanksgiving Day football contest, for there will be two real games right here in Alexandria. Manager Carl Mueller of the Dreadnoughts and Secretary Jack Tulloch of the Virginians have both booked hard teams and as both games will be played at the Shipyard field in the afternoon, lovers of the gridiron game are assured an afternoon of exciting sport.

The Dreadnoughts hook up with the 53d U. S. Infantry aggregation, which has been greatly strengthened during the past two weeks by the addition of several former overseas men who have just returned from a hard season in the A. E. F. league. Capt. Redfield, the former West Point end who is coaching the Doughboys, says his club will show a real brand of football here on Turkey Day.

Those fighting lads wearing the big "V" of the Virginia Athletic Club have selected a worthy opponent for their big struggle in the Seminoles Athletic Club. This aggregation has also been strengthened considerably since showing here early in the season, and promise to reverse the decision of their first meeting between the clubs. The first game will start promptly at 1:30 o'clock.

The Dreadnoughts have challenged both the Rex A. C. and the Navy Yard Team of Washington. Efforts are being made to stage the games in Alexandria, so as to give the home fans a chance to see the contests on their own field, but it looks as if the games will have to be staged in Washington on account of the larger field and bigger population to draw from. Football games in Washington draw from two to five thousand, while a thousand is a big crowd in Alexandria today.

Coach Frank Cockrell of the Virginia Athletic Club has been working hard with his lads since taking over the team some ten days ago, and marked improvement was shown in the Sunday games. Coach Cockrell will probably handle all athletic teams put in the field by the Virginia Athletic Club.

The bride was attended by her sister, Mrs. C. E. Emert and the bridegroom had for his best man Mr. Samuel W. Pitts.

THE TRAIL OF THE SERPENT

The words used in the headline
are those of Milton. They have
been proven true since the scenes
in the Garden of Eden. The Sav-

our of Mankind four thousand
years later uttered significant words
when He said "Beware of men" not
of lions, tigers, rattlesnakes, etc.

Present conditions in the world
prove conclusively that civilization
by no means brought about the
evangelization of this sin-cursed
planet anticipated by so many well-
meaning persons. After having
emerged from the most sanguinary
conflict ever known, men are still
warring on each other, crime waves
being reported in the most populous
and modern cities of our country.
Even in the heretofore conserva-
tive Old Dominion the Governor
has been forced to call out the mil-
itary and makes his personal appear-
ance in the local fields in attempts
to bring order out of chaos.

Chicago's widest orgy of crime
continued yesterday without a sign
of abatement. Thirty-six holdups,
28 automobile thefts, three pistol
battles and numerous safe blowings
were reported to the police. One
hundred and fifty arrests have been
made, including many dangerous
criminals.

Thanksgiving

None of our holidays of the year carries with it a holier sentiment or is so purely American in its significance as that of Thanksgiving Day. It is consecrated to the American home and carries with it a benediction of gratitude for the blessings of health, peace and contentment which we have enjoyed during the twelve months. No country in the world has so much to be thankful for this year as ours. Where most others are still suffering the results of warfare, famine and desolation America has practically returned to a prewar basis of tranquility. Make the home radiate this condition by supplying for that day the things that reflect comfort, happiness and abundance. Below are some practical and pleasing suggestions.

The perplexing question of what you shall have for your Thanksgiving Dinner during this period of high cost of living has been solved for you. Call at

"Gets-It" Peels Your Corns Right Off

Two Drops Will Do It Without Pain
or Trouble. Never Fails.

There's only one way to get rid of a corn, and that is to peel it off as you would a banana skin. There is only one corn remover in all the world that does it that way, and that

There's No Corn "Gets-It" Will Not Get." is "Gets-It." It is because of this fact that "Gets-It" is today the biggest seller among corn-removers on this planet. It means the end of "corn-bodding." For hard corns, soft corns, very old corns, young corns, corns between the toes and calluses, it means a quick, certain finish. "Gets-It" is applied in 2 or 3 drops. As easy to do as signing your name. It does away forever with tape, plasters, bandages, knives, corn-diggers, scissors, files and blood-bringing razors. Ease your corn-pains, be corn-free at last. "Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago, Ill.

Pepto-Mangan Obtainable in Liquid
or Tablets—Insist on "Gude's"
The Genuine

There is really no reason why men or women with thin, watery blood and consequent poor health should remain in that unfortunate condition. Thin, nervous, run-down, tired people never get much happiness out of life.

Men and women with the bloom of health in their cheeks, a cheerful, sunny disposition and an attractive personality are the folks who get most of life's enjoyment, pleasure and success.

Gude's Pepto-Mangan furnishes thin, watery blood with the necessary nourishment to enrich it, enabling it to supply energy, vitality, and strength to every part of the body.

Physicians recommend Gude's Pepto-Mangan to patients suffering from anemia because its beneficial and lasting qualities are well known to the medical profession.

Gude's Pepto-Mangan is obtainable in either liquid or tablet form. Both forms contain exactly the same strength and medicinal properties. When you buy Pepto-Mangan of your druggist be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan.

Thinking in Terms of Millions

This is no time for timid, shrinking souls in business, statesmanship or religion.

The man of small vision is doomed.

God has moved in a mighty way in opening fields where countless millions have not yet heard the story of His love and is challenging His people to occupy in His name.

Baptist 75 Million Campaign

is aimed as the five-year program of Southern Baptists for improving the greatest missionary opportunity the world has ever known.

This campaign aims to secure in cash and five-year pledges \$75,000,000, to be employed in promoting the Kingdom of God in all parts of the world.
